

The Hindmarsh Hall May 2021 Update

Not long now until we open.

Lower Hall reopening 21st June and the Upper Hall August 1st

Restoration and Renovation

Gone is the old uneven Upper Hall floor and in its place is a beautiful even oak floor. However It had to be quickly covered as scaffolding was needed so that work could begin on the ceiling, lighting and electrical work.

Whilst the scaffolding is in place the decorators will utilise it to paint the walls and ceilings.

Funding Update

A colossal £84,000 raised so far!

In April Hindmarsh Hall received two very generous donations from the Community Foundation and from Garfield Weston totalling £25,000.

This means that not only will the Upper Hall open with a new floor new lighting and be newly decorated but in the Autumn secondary glazing can be fitted.

If you haven't already purchased a copy there is a super Recipe Book being sold at Alnmouth Gift Shop and all proceeds are going to the Hall.

Trustees are very grateful for all donations.
